

**CDM 2007 Designer Competency Questionnaire**

**Results** (Based on a sample size of 55 Engineers)

Lowest individual score - 49%

Highest individual score - 91%

Average score - 69%

55% of those surveyed scored above 69%

**NOTE**

Further to the analysis of these results, questions 13 and 15 have been re-worded, as it appears they not have been interpreted as intended.
